In the current year's Medical Budget, provision has been made for the pay, ration and clothing allowances of the said 11 Nurses of the Victoria Hospital In addition to this, provision exists for the pay of 2 probationary nurses at Rs 20/- each, and of a native Nurse at Rs: 15-1-20

This shows that there is only one native Nurse at present to whom a uniform allowance is proposed to be given at the same rate (Rs 30) at which it is given to European & Eurasian Nurses. ~~In~~ The recommendation deserves favorable consideration as this involves an additional expenditure, the matter will be referred to Branch II for opinion

Dr. Arunagiri Mudaliar has given good reasons why the Native Nurse in the Victoria Hospital should be treated the same as the European & Eurasian Nurses in the matter of clothing allowance He suggests that the excess for the current year be met from savings under "Establishment of Nurses" This may be sanctioned and provision made in next year's budget accordingly

Sir,

I have the honour to forward for favour of early orders of Government, the accompanying copy of letter No.3521, dated 8-11-1906, from the Meddcal Officer in charge, Victoria Hospital, Bangalore, --- giving cover to letter, dated 7-11-1906, ~~in original~~, of Native Nurse B.Gracee of the Hospital, requesting to grant her some allowance for clothing.

I have the honour to be,

Sir,

Through The Matron.

To.

The Medical Officer in charge

Victoria Hospiatl, Bangalore.

Sir,

I respectfully beg to state that my pay is too small to meet my humble expenses. Besides that I have got a number of souls depending on me. As such I find it hardly possible to incur all the household expenses. The rigour of work in the hospital does not enable me to find time to seek out private practice I therefore beg to state that I cannot afford to pay for my uniform. I most respectfully and humbly beg that your honour will kindly cause some small allowance to be paid for my uniform.

I beg etc.,

No.3521

Sir,

In forwarding an application from Native Nurse B.Gracee, I have the honour to recommend that an amount of Rs.30/ as annual clothing allowance may be sanctioned for all the Native Nurses posted to this Hospital as the duties which the Native Nurses

perform

perform in this Hospital are almost the same as those of Europe-an and Eurasian Nurses, who are paid a similar amount annually for uniforms and a Ration allowance Rs.20/ per mensem. With a small salary of Rs.15/, a Native Nurse could not be possibly expected to keep a set of clean uniform which is essential to Hos-pital Nurse. Further the Native Nurses attached to this Hos-ital could not take private practice, which, all the Midwives attached to the dispensaries in the Province and the Native Nur-ses attached to the Maharanee's Hospital Mysore are allowed -- even though their salary is just the same. If the amount is -- sanctioned the expenditure for the current year can be met from the savings under Establishment of Nurses where the full number of Nurses and probationers sanctioned have not been fully employ-ed from the commencement of the current official year.
